

*Town and Country Planning (Development Management Procedure)
(England) Order 2015
Notice under Article 13 of Application for Planning Permission
Accompanied by an Environmental Statement*

Proposed development

at **Hamble Airfield**

by **Cemex UK Operations Ltd**

Hampshire County Council has received an application for planning permission for:

Proposed extraction of sand and gravel, with restoration to grazing land and recreation using imported inert restoration materials, the erection of associated plant and infrastructure and the creation of a new footpath and access onto Hamble Lane

The application is accompanied by an Environmental Statement.

Members of the public may inspect copies of the application, the plans and other documents submitted with the application on the Strategic Planning website at <https://planning.hants.gov.uk/> or by making arrangements directly with the Case Officer to view a paper copy of the application.

Members of the public may obtain copies of the environmental statement from Emma Pearman at CEMEX HOUSE, EVREUX WAY, RUGBY, CV21 2DT or by email at planninggb@cemex.com at a charge of £80. The documents can also be downloaded from the Strategic Planning website at the address given above.

Anyone who wishes to make representations about this application should make their comments online at the Strategic Planning website at the address given above or write to Strategic Planning, Economy, Transport & Environment Department, Elizabeth II Court West, The Castle, Winchester, Hampshire, SO23 8UD, by 4 March 2022. Representations must include a name and address to be accepted. Anonymous or confidential representations will not be accepted. The details provided will only be held for the purposes of considering your representation. As part of the statutory process your name, address and comments will be on deposit with other application documents, will be available for public inspection and will also be published on our website. Strategic Planning's Privacy Notice provides more information on how we manage personal data
