

## Hampshire Minerals and Waste Plan: Partial Update Regulation 18 Notice of Consultation

### Get involved in planning!

Minerals and Waste Planning Authorities have a statutory responsibility to prepare and maintain an up-to-date Minerals and Waste Local Plan. Hampshire County Council, New Forest National Park Authority, Portsmouth City Council, South Downs National Park Authority & Southampton City Council (collectively referred to as the 'Hampshire Authorities') are working to produce a partial update to the Hampshire Minerals and Waste Plan (the 'Plan') which will guide minerals and waste decision making in the Plan Area up until 2040.

The Hampshire Authorities have produced a Draft Plan. The purpose of this consultation is to engage the community in discussion on managing minerals and waste for the next 20 years. It is also an opportunity to gather more local evidence to determine the plan content, policies, and site allocations.

To get involved and share your thoughts on the future of minerals and waste in Hampshire, please visit <https://www.hants.gov.uk/minerals-waste-update>. It is here that you will be able to read all accompanying documents to the Draft Plan Consultation, as well as complete the response form to the consultation.

Documents are also available for inspection during normal working hours (by appointment):

- **Hampshire County Council** - EII Court, The Castle, Winchester, Hampshire, SO23 8UD
- **New Forest National Park Authority** - Lymington Town Hall, Avenue Road, Lymington SO41 9ZG
